Dear One World Community,

Where do I start? Where do I begin? My words are muddled because I have no words to express my outrage for the events that have occurred in the past week, but let's be real, it has been going on for years, centuries really. I can only speak from my heart, I am outraged by the police brutality that still has not resulted in charges for all involved. It is a cold reminder of what has occurred time and time again, systematic racism. I think to myself, what can I offer to our community in this time of pain? I can offer a space for us to come together as a One World Community to have this conversation, to share, to process, to protest and to be, 'together'. I can also offer to be an ally, to continue this discussion *long after* this incident - I will listen, I will not assume I know what's best, I will stand by your side, I will speak up and out. #justiceforfloyd and for so many more, before George Floyd, who did not see justice.

Please join us -- staff, ambassadors and families on **Thursday at 6pm on Zoom to engage in this conversation. (Link has been emailed to families)**

Sincerely,
Ms. Wynne
